

## **SAMA Consulting – Job Vacancy**

Do you have experience in Pardot, Salesforce Marketing Cloud or Salesforce CRM?

SAMA Consulting want to hear from you.

### **Who SAMA Consulting are:**

SAMA is a London-based registered Salesforce Partner specialising in Salesforce Marketing Cloud & Pardot. SAMA was founded by a former ExactTarget Architect (Salesforce Marketing Cloud) and a Strategic Program Manager who specialises in delivering business transformations for large enterprises and small and medium-sized businesses (SMB) and Nonprofit.

We identified that many organisations weren't getting a desirable return from their Salesforce Marketing Cloud, due to the high consultancy rates and lack of implementation expertise. This presented an opportunity for us to help customers get the most from Salesforce Marketing Cloud by making them aware of what is possible instead of simply implementing what was asked of us. With this in mind and a strong conviction to deliver results-focused experience for our customers, we founded SAMA!
